ASME Student  
Section**Prof. Mohamed  
Abo Elazm**College of  
Engineering and  
Technology

ASME AAST SS is the 1<sup>st</sup> student section in Alexandria. Our goal is to provide the students with all the necessary knowledge for them to excel in their engineering careers. This is to be achieved through different events, workshops, projects and competitions giving the students a wide range of skills and benefits. We also aim to bring all ASME benefits and resources to our students. To serve our diverse global communities by advancing, disseminating, and applying engineering knowledge for improving the quality of life and communicating the excitement of engineering.
